---

## Artist Bio

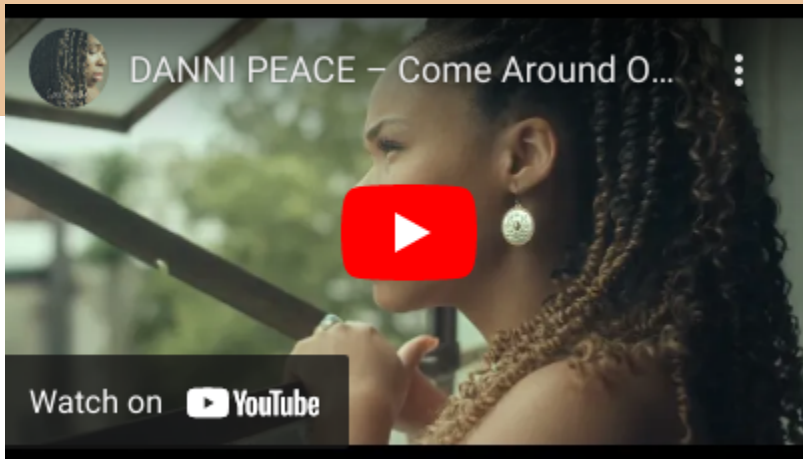

Danni Peace is an Eclectic Pop artist who fuses R&B, with elements of Pop Rock. Her music is food for the soul and rest for the heart. As a musical storyteller, she carries her audience on a journey through healing, joy, and inspiration. Her musical approach can be compared to artists like H.E.R., Alicia Keys, and Hayley Williams. In 2017, Danni released *The Odyssey*, a 5-song project focused on exploring life, loss, and love. The project received local recognition leading to a Homey Award nomination by WSTW 93.7FM, appearances on ABC27, and Citizen's Bank Park. She made her national debut on Good Morning America to promote American Idol. Danni is currently working on a new project with an expected release in 2023.
